## ACSL CONTRACTORS LIMITED

P.O. Box. 972, TANGA, TANZANIA  
MoB. +255-685023040/ 768051490

Dear Sir/Madam,

**RE: INTRODUCTION LETTER**

We have the honor to introduce our company i.e. **Asjad Contractor & supplier Pvt. Ltd** ( Registered in **India**) and **ACSL Contractors Ltd.** (Registered in **Tanzania**)

We have worked with different institutions worldwide in Industrial & building works contract for more than 7 years.

With this letter we have attached our company profile for your perusal before consideration.

Yours faithfully

**Md. Amjad**

## COMPANY SAFETY POLICY

Section 4 (3) of the “The factories (**ACSL Contractors Ltd.** Safety Policy) operations and works of Engineering works Rules 1985 states

“Except in such cases as may be prescribed, it shall be the duty of every employer to prepare and as often as may be appropriate revise a written statement of his general policy with respect to the health & safety at work of his/her employees and the organization & arrangement for the time being in force for carrying out that policy and to bring that statement and any revision of it to the notice of all his employees.

### INTRODUCTION:

This company policy is a statement of intent by **ACSL Contractors Ltd.** Safety policy to comply with current legislation, to provide a safe place of work for employees and to ensure an adequate system of communication on all matters affecting health & safety at work.

The overall responsibility rest with management of the company; all employees at every level must accept the degrees of responsibility for carrying out this policy and ensuring safe method of work.

Every attempt will be made to bring to the attention of all employees that they have a responsibility to safeguard themselves and their action do not place others at risk.

For the purpose of the company safety policy the term “company” shall mean **ACSL Contractors Ltd.** The management of the company undertake to make every employee aware of his legal obligation to comply with statutory legislation and to provide all documentation necessary to all person, including members of the public to avoid injury or exposure to risk. A safe system of work is to be employed so as to avoid risk or possible injury.

## **GENERAL**

- Company management undertake the following :
- To state in writing responsibility and accountability for each level of employee in prevention of injury and damage.
- To promote awareness of legal, personal and economic responsibility.
- To provide the necessary training at all level to enable each individual to carry out his responsibility as laid down.
- To take into account at tendering and work planning stages, those factors which help to eliminate injury, damage and waste.
- To make specific arrangement with subcontractor and any other individual contractors who may be working on the same site.
- To ensure that dangerous occurrences , fatalities and major injuries are recorded and reported to the occupational safety health authority and that investigation and costing is carried out as applicable.
- To provide the right equipment and protective clothing.
- To provide sufficient funds to implement this policy.

## **NOTE**

Within this policy the term “health and safety” is defined to mean:

- The prevention of injury to individuals.
- The control of all situation and procedure likely to cause injury , damage to plant , property and materials.
- The application health and hygiene.
- The investigation “near miss” situation that could have resulted in to persons and injury , damage to plant, property and materials.
- Fire prevention and fire control.
- The identification and elimination of hazards.
-

Phone No. 0091 9234199287 , 0091 9939465876

Was employed by ZAMBEZI PORTLAND CEMENT from September 2006 to July 2007 for the construction of

1. 1 x Belnding Silos 53 meters high , 12 meter diameter
2. 2 x Cement Silos 30 meters high , 12 meter diameter
3. 1 x Clinker Stockpile silos 18.9 meters high , 5 meter diameter

All 4 silos where built within a period of 10 months.

I truly recommend the above mentioned for the construction of Silos.

Kind Regards  
For / ZAMBEZI PORTLAND CEMENT LTD
